Club Championship will be held on September 11th. See Bye-Weeks Section. All teams should register with Timber Ridge. This league is flexible, however we would like everyone to play on league nights, if possible. To be eligible for the Club Championship, league teams will need to compete in at least 8 weekly league events. Club Champs in Mixed Doubles will advance to a state competition and possibly a national level competition held at PGA National, Bear's Club in Florida of November 2022.

2. FORFEITS: If one team does not show up or make-up a match, the other team will be credited with 2 points.

F. Rainouts

1. If the weather is questionable, the decision to play is at the discretion of the golf course.
2. Matches not reconciled by end of the bye-week will be scored "0" for both teams.
3. Always assume the match will be played unless you contact your opponent.

F. Local and League Rules

1. A team will mark its chosen drive. The selected ball may be lifted by the player, his/her partner, their substitute or another person authorized by the player, and can be cleaned.
The position of the ball must be marked before it is lifted or played unless the original ball is played from its original location. If not, the mark must be placed right behind or right next to the ball and the mark may be moved up to one clubhead-length or club-length if the player chooses to play from the original spot. If a selected ball is lifted or played without being marked, the team will incur a one-stroke penalty. This process continues for each team's shots until reaching the putting green. A ball may be moved one club-length in the general area. The general area includes all areas of the golf course. This **DOES NOT** include the putting green, tee box, penalty areas, or bunkers.
2. If a team should choose to play a ball from a penalty area, the ball must be played as it lays on the first shot. Either player may take the first shot, with no relief. The second ball will be placed no further than one clubhead from the original spot in the penalty area, no closer to the hole. Should the team decide to take relief from the penalty area, USGA rules apply with a one-stroke penalty.
3. **AVOID SLOW PLAY—KEEP THE LEAGUE MOVING**

4. If neither of a team's shots can be found, USGA rules regarding "lost ball" will apply. The team will return to the location of the prior shot, each player will re-hit, and a one-stroke penalty will be assessed.
5. If neither of a team's shots can be found, USGA rules regarding "lost ball" will apply. The team will return to the location of the prior shot, each player will re-hit, and a one-stroke penalty will be assessed.
6. Upon reaching the putting green, the ball chosen will be marked, and each player will putt from within a club-head, in any direction of the mark, no closer to the hole. Should it be deemed that a team is attempting to gain an advantage by rolling a ball on a green before putting, a penalty may be assessed.
7. Once a ball is holed, even if the second player has yet to putt, the score of the ball holed becomes the official score for the team on that hole. Double bogey is the maximum score a team can take on any hole. Once a team has reached the number of strokes equal to bogey, and the ball is not yet holed, the team must pick up, record the score as a double bogey, and move to the next teeing ground.
8. Tees rules will be as follows: Men under 55, Blue. Men 55-64, White. Men 65 to 70, Yellow and Men >70, Green. Ladies, Green.

NOTE: SCHEDULES WILL BE E-MAILED AND ALSO AVAILABLE AT THE PRO SHOP.
