# Foursome Membership

## Rules

Timber Ridge Golf Course is pleased to introduce the (Foursome) Membership. This membership is an introductory membership. This membership allows any **member from 2023 to band together with 3 new people** who were not members last year and reduce their membership cost. **Must start in blocks of 4 in first year.** Once the group has the 4<sup>th</sup> man each member can join Timber Ridge for \$890 per person. This includes cart. **This membership will also allow any new group of 4 people** who want to become members to band together for the above membership. This membership does not include range privileges. Range privileges can be purchased at an additional \$250 per member. The fee does not include the use of a spectator cart for golfing events. An individual joining Timber Ridge and not part of this type of group will pay \$1300+ for the golfing year. Please tell your fellow friends about this wonderful opportunity. We look forward to seeing you at Timber Ridge this coming spring. Breakpoints in membership costs are not considered met until a paid membership application is received by Timber Ridge. The Foursome Membership can be continued in subsequent years. Foursome Membership rules are as follows. **Members of the Foursome Membership group will need to add 1 new member per year after the 1<sup>st</sup> year to keep the Foursome Membership reduced price. Maxs out in the 5<sup>th</sup> year with 8. Need to maintain 8 after 5<sup>th</sup> year. If a group cannot get required 1 additional member required during years 2 through 5, the group will be given a 1 year grace period. The fee in the grace period year will be the stated Foursome membership price plus 15%. If the group does not have required members by third year, Foursome Membership will be considered null and void.**

# Bluffton/Norwell Group Membership

## This is the second year for this type membership

Timber Ridge Golf Course is pleased to offer Bluffton Harrison and Northern Wells School **Associates\*** as well as parents of middle school and high school golf team that are part of the freshman, sophomore and junior classes a group membership. A business group membership is a membership that consists of individuals all from the same organization. Each individual pays for his or her respective share of the membership and has a card with their individual name. The membership cost reduces as more participants join. This membership does not include range privileges. Range privileges can be purchased at an additional \$250 per member. A spouse can be added to the employees' card for \$436. This type of membership allows an individual who is part of the group to join Timber Ridge Golf Course for \$ 872, if part of a 4 person for example. If the group is 12 or larger the fee would be \$654 per person. The fee includes use of cart for the golfing year. The fee does not include the use of a spectator cart for high school golfing events. An individual joining Timber Ridge and not part of a business group will pay over \$1,300 for the golfing year. Please tell your fellow associates about this wonderful opportunity. This does not need employer approval, you as the associate pay for your portion and have full rights as a member! We look forward to seeing you at Timber Ridge this coming spring. Breakpoints in membership costs are not considered met until a paid membership application is received by Timber Ridge. **Cart use does not include spectator carts.**

**Associate includes any non-paid volunteers of the corporation. Youth sport coaches of teams in the corporation are included. Example: Little Tigers Basketball/Squires Basketball**
