Foursome Membership

Rules

Timber Ridge Golf Course is pleased to introduce the (Foursome) Membership. This membership is an introductory membership. This membership allows any **member from 2024 to band together with 3 new people** who were not members last year and reduce their membership cost. **Must start in blocks of 4 in first year**. Once the group has the 4th man each member can join Timber Ridge for \$917 per person. This includes cart. **This membership will also allow any new group of 4 people** who want to become members to band together for the above membership. This membership does not include range privileges. Range privileges can be purchased at an additional \$265 per member. **The fee does not include the use of a spectator cart for golfing events**. An individual joining Timber Ridge and not part of this type of group will pay \$1400+ for the golfing year. Please tell your fellow friends about this wonderful opportunity. We look forward to seeing you at Timber Ridge this coming spring. Breakpoints in membership costs are not considered met until a paid membership application is received by Timber Ridge. The Foursome Membership can be continued in subsequent years. Foursome Membership rules are as follows. **Members of the Foursome Membership group will need to add 1 new member per year after the 1st year to keep the Foursome Membership reduced price. Maxs out in the 5th year with 8. Need to maintain 8 after 5th year. If a group cannot get required 1 additional member required during years 2 through 5, the group will be given a 1-year grace period. The fee in the grace period year will be the stated Foursome membership price plus 15%. If the group does not have required members by third year, Foursome Membership will be considered null and void.**

Bluffton/Norwell Group Membership
Note: Green Fee Membership in 1996 - \$625

This is the third year for this type membership

Timber Ridge Golf Course is pleased to offer Bluffton Harrison and Northern Wells School **Associates*** as well as parents of middle school and high school golf team that are part of the freshman, sophomore and junior classes a group membership. A business group membership is a membership that consists of individuals all from the same organization. Each individual pays for his or her respective share of the membership and has a card with their individual name. The membership cost reduces as more participants join. This membership does not include range privileges. Range privileges can be purchased at an additional \$278 per member. A spouse can be added to the employees' card for \$472. This type of membership allows an individual who is part of the group to join Timber Ridge Golf Course for \$ 830. The fee includes use of cart for the golfing year.

The fee does not include the use of a spectator cart. An individual joining Timber Ridge and not part of a business group will pay over \$1,400 for the golfing year. Please tell your fellow associates about this wonderful opportunity. This does not need employer approval, you as the associate pay for your portion and have full rights as a member! We look forward to seeing you at Timber Ridge this coming spring. Breakpoints in membership costs are not considered met until a paid membership application is received by Timber Ridge. **Cart use does not include spectator carts.**

Associate includes any non-paid volunteers of the corporation. Youth sport coaches of teams in the corporation are included. Example: Little Tigers Basketball/Squires Basketball

Payment made on: _____ Payment made with: _____ *Associates are defined as any employee or non-paid volunteer who helps out with any activities at any level Northern Wells or Bluffton Harrsion. In the past there were breakpoints based upon numbers, there was a 2 year grace period to meet these numbers. Breakpoints were not met.*

State of the Ridge Address:

2025 promises to be a good year for the golf course. 2025 should bring some of the best course conditions ever seen by the golf course. The staff has worked hard to continue to make improvements. 2024 was a difficult weather year due to the extreme drought conditions, which we are continuing as of the time of this writing. The course fared well through the difficult times.

We now have timers at all the irrigation boxes. These units will need to be programmed, but this should allow for the automation for the first time in over 10 years. This will be a real time saver. We did have issues with our irrigation pumps as two of them were not running at full capacity. These will be pulled in the off-season for repairs.

In 2024, Timber Ridge was able to acquire new Club Car Tempo golf carts. This was a great addition to the course. As members, I would ask that you help police how the carts are driven. The staff tries to keep every cart accounted for, but two did slip through the cracks this year with someone damaging the new carts without being able to determine who the damaging party was. Please help with this task. It is not out of line to let someone know that as a member you do not appreciate how they are driving the cart or where they are driving the cart.

In 2025 we will continue to work on the cart paths, greens, tees and fairways to make them as good as possible within the budget constraints of the golf course. In the 100-year history of the golf course, profitability has been achieved very few times. Your continued support is appreciated. The vision of Timber Ridge is to become one of the nicest public courses in the area and become profitable enough to spread the workload of the course maintenance across a staff of people rather than 1 or 2.

Timber Ridge is fun, fast and friendly! Happy golfing.
